LICENSE # NP 04968800 :	CONSENT ORDER
:	:
TO PRACTICE NURSING IN THE :	:
STATE OF NEW JERSEY :	:

This matter was opened to the New Jersey State Board of Nursing (" Board") upon receipt of information that respondent had applied for and been denied an R.N. license in Colorado in 2010. Respondent had also applied for an R.N. license in

Kentucky and in North Dakota in 2010, and these applications were also denied. Respondent had taken a "paid study course" conducted under the auspices of an individual, Chris Muolokwu, who claimed to be a professor of nursing at a reputable nursing school. Respondent maintains that she paid Mr. Muolokwu \$5,000.00 to provide the course and submit the applications, which she had signed, to the various states. Respondent subsequently learned that the course she took was not legitimate.

Respondent failed to report these denials to the New Jersey Board until November 27, 2011. The Board finds that respondent's failure to timely report the denial of initial licensure by Colorado, Kentucky and North Dakota constitutes a violation of N.J.A.C. 13:37-5.9, subjecting her to sanctions pursuant to N.J.S.A. 45:1-21(h).

The parties desiring to resolve this matter without admissions and without further proceedings, and the Board finding that entry of the within Order is appropriate, and for other good cause shown;

IT IS on this 22nd day of August, 2012

HEREBY ORDERED AND AGREED that:

1. A public reprimand is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(h).

2. Respondent shall, within six months of the filing of this Order, provide the Board with documentation of having

successfully completed a nursing ethics course pre-approved by
the Board.
